Pet Tag Collections

rowmark.com

Rowmark Europe is excited to introduce new superior quality additions to our identification and pet tags product line, including a collection of stainless steel, anodized aluminum and solid brass options in a variety of colours, shapes and designs.

We also offer a complete line of brilliant aluminum tags lined with Swarovski

MADE WITH
SWAROVSKI
ELEMENTS

elements for an extra stylish touch.

Our aluminum is manufactured in the

USA, contains 80% recycled material and is aircraft grade 3005 alloy. It is also coated with a thick .30-.45 mil coating for superior durability and crisp engraving results.

Catalogue product colours may differ from actual products.

These colourful pettags are also easy to engrave with our new Rack Star™ Dog Tag Fixture.
